## HCL Foundation launches 'HCL Grant'

Accord Fintech

HCL Foundation has launched HCL Grant, an initiative to support NGOs and individual social leaders who are implementing projects for upliftment and development of the country. A sum of Rs 100 crore would be spent over the period of next 5 years through this initiative. In its first year, one winning NGO will receive a grant of INR 5 crore.

HCL Technologies is a leading global IT services company working with clients in areas that impact and redefine the core of their businesses. HCL focuses on 'transformational outsourcing', underlined by innovation and value creation, offering an integrated portfolio of services including Enterprise Digitalization, Internet of Things, Engineering Services Outsourcing and Next Generation IT Outsourcing that focuses on transformation-led infrastructure services, applications services and business services.
